

BLUE

BLUE insurance administration – Streamlining your business needs

BLUE provides you, the broker, with an end to end process encompassing a Domestic facility, Commercial facility, a Policy Administration facility, Claims service, Premium Collection and Commission payments.

We have significant, trusted & valued relationships with almost all general insurers thus enabling us to provide our brokers with a variety on both Commercial & Personal lines quotes.

BLUE offers a wide range of leading insurance solutions to South African Insurance Brokers. The nature and quality of our solutions is the direct result of our focused efforts aimed at developing customized or off the shelf solutions which generate measurable and sustainable business results, whilst providing superior service to our brokers.

Our product list of insurers includes:
